### **WC Docket No. 17-356**

The Wireline Competition Bureau (Bureau) has removed the application listed in this notice from streamlined treatment pursuant to the Commission's streamlined procedures for domestic section 214 transfer of control applications.<sup>1</sup> Section 63.03(c)(1)(v) of the Commission's rules provides that, at any time after an application is filed, the Commission, acting through the Chief of the Bureau, may notify an applicant that its application is being removed from streamlined processing where the Commission "determines that the application requires further analysis to determine whether a proposed transfer of control would serve the public interest."<sup>2</sup>

YMax Communications Corp. to B. Riley Financial, Inc., Public Notice,
